Rules regarding Issue of Materials to Contractors in the Public Works Department other than in accordance with the terms of Contract Agreements.

READ—

Letter No. 142—W.M.—G.C., dated the 26th May 1954, from the Accountant General, Mysore, Bangalore, stating for the reasons explained, that provision may be made in the Mysore Public Works Account Code for the issue of materials to contractors otherwise than in accordance with the terms of Contract Agreements.

ORDER NO. FL. (B) 10062-65—C.R. 18-54-2, DATED BANGALORE, THE 28TH SEPTEMBER 1954.

Paragraph 362 of the Mysore Public Works Account Code lays down the general conditions and the circumstances under which materials may be issued to contractors who have contracted for completed items of work. But no rules have been laid down for the issue of materials to contractors otherwise than in accordance with the terms of contract agreements. The following rules are therefore laid down for the guidance of Public Works Officers :—

(*a*) As a general rule no other materials should be supplied to such contractors, for use on works, but this restriction may be waived by the Sub-Divisional Officer in respect of petty issues (at full Issue Rates) of materials from existing stocks not exceeding Rs. 50 in any month for any one contract ;

(*b*) If at any time subsequent to the execution of a contract on a through rate basis, the contractor desires the issue to him, for use on a work, of materials which exist in Government stocks but the supply whereof by Government was not

provided for in the contract, the materials should not be issued except with the express authority of the Divisional Officer who should specify in each case the rate to be charged for the materials inclusive of delivery at the place where they are stored. The rate charged should be the market rate prevailing at the time of supply or the Issue Rate, whichever may be greater, and should include the storage charges. No carriage or incidental charges should be borne by Government in connection with the supply. (The intention of this rule is to prohibit the supply of materials to contractors with the object of giving them financial aid, the grant of which is governed by the rules in paragraph 553 of the Mysore Public Works Account Code).

(*c*) Issues of stock materials to contractors for *bona fide* use on works are exempt from the usual charge of 10 per cent levied on account of supervision, storage and contingencies, which is made when stock materials are sold to the public (paragraph 340 of the Mysore Public Works Account Code).

Necessary amendments to the Mysore Public Works Account Code will issue separately.

Secretary to Government,
Finance Department.

EDUCATION SECRETARIAT

Sanctions the constitution of a Managing Committee for the Mysore Government Insurance Department.

READ—

Government Order No. Fl. 2738-41—G.F. 52-52-1, dated 31st May 1952, sanctioning, among others, the constitution of a Committee for examining in detail the scheme of reorganisation of the Mysore Government Insurance Department.

2. Government Order No Fl. 6788-6793—G.F. 174-52-3, dated 4th November 1952, sanctioning the reconstitution of the Mysore Government Insurance Committee and appointment of the General Manager, Mysore Government Insurance Department, as President of the said Committee, in place of the Secretary to Government, Education Department.

3. Un-official Note No. G.M. 5—54-55, dated 13th August 1954, from the General Manager Mysore Government Insurance Department, furnishing his remarks on the recommendation of the Insurance Reorganisation Committee for the constitution of a Managing Committee.

4. Government Order No. Fl. 3118-20—G.F. 88-54-1, dated 6th September 1954, sanctioning the continuance of the post of the General Manager, Mysore Government Insurance Department, up to 1st October 1954.

ORDER NO. FL. 3387-3394—G.F. 116-54-2, DATED BANGALORE, THE 30TH SEPTEMBER 1954.

The Insurance Reorganisation Committee has dealt with at length on the constitution, historical background, composition, duties and functions of the Mysore Government Insurance Committee in Chapter XI of its report and has made some valuable recommendations about the future set-up of the Insurance Committee, etc. These recommendations may be summed up as follows :—

(*a*) The constitution of the Mysore Government Insurance Committee as fixed by Government in their latest order dated 4th November 1952 calls for no change.

(*b*) At present, there is no need to change the *advisory* nature of the Insurance Committee and to introduce an element of administrative responsibility in its functions.

(*c*) A Managing Committee consisting of 3 Official Members and one Non-official Member may be constituted forthwith to transact business now done at Government level on the principle of delegation of powers with suitable safeguards, leaving settlement of questions of high policy and sanction of expenditure of a special nature not covered by budget allotment by reappropriation or otherwise specifically excluded from the powers of the Committee, for decision by the Government.
